AFFAIRS AT OTTAWA

GRAND TRUNK PACIFIC DEPOSIT

Great increase in Canada's Trade For the Past Five Months.—Charlton Back From Boston.

(Bulletin Special Dispatch.)
Ottawa, Dec. 14.—President Parker of the Canadian Club, Toronto, had an interview with the Premier yesterday afternoon. Mr. Parker wanted Sir Wilfrid to address the club at the banquet in Toronto. Sir Wilfrid will not be able to do so.

Wm. Wainwright and Vice-President More of the Grand Trunk Pacific had an interview with Sir Wilfrid Laurier on Saturday, when the question of the five million dollar deposit was further discussed.

Trade figures for the five months ending with November have just been issued. The aggregate trade of Canada for the five months was \$21,378,793, an increase of \$23,353,736 over the same time last year.

John Charlton, M.P., who is here on his way back from Boston, says there is no truth in the report that the Premier called him back. He had no communication of any kind with Sir Wilfrid Laurier on the subject.

E. R. McNeill, divisional engineer of the Grand Trunk Pacific Railway at Edmonton, has returned to the city from a visit of inspection to W. E. Mann's camp of surveyors, who are at present working near Fiddle River.

THE ELECTIONS.

A great deal of interest has been taken in the municipal elections today. In the morning a large crowd was waiting to vote. It is expected that the vote polled will be large, as over two hundred and fifty rate-payers had voted up to noon to-day. There is no contest for school trustees, as F. A. Osborne has retired. Messrs. Taylor, Metcalf and Cushing are thus elected by acclamation.

LOCAL.

—Train left Red Deer on time.

—The Strathcona club has received the Lord Strathcona curling trophy.

—Rev. Principal Riddell conducted services in the Methodist church, Red Deer, yesterday.

—Harold Nelson, the great Canadian actor, will open a five days' engagement in Edmonton, beginning Christmas evening.

—One of the prettiest of the season is J. A. Stovel's calendar for next year. An excellent picture of a harvest field is shown.

—A hockey match will take place between Edmonton and Strathcona Juniors on Strathcona rink on Wednesday evening, December 16th.

—A grand Christmas carnival, the first of the season, will be held on the Strathcona skating rink on Monday, December 21st. Valuable prizes will be given.

—The Edmonton Theatre rink management will give a grand carnival on next Friday evening, December 19th. Fifty dollars in prizes will be given.

—The Cunningham Electric Company, Edmonton, have secured the contract to install a complete electric light plant in V. Matejka's new brick hotel at Wetaskiwin. The plant consists of a 150 h.p. boiler, 150 h.p. centre crank, high speed, automatic engine, and 1400 watt, direct current, multi-tap, compound dynamo.

There will also be installed a complete call bell system and fixtures, etc. The above plant is to be in operation ninety days from date. The building will be heated by steam throughout.

—Alberta lodge, No. 1, Calgary, of the Independent Order of Oddfellows held dedicatory services on the opening of their new hall on Thursday and Friday evenings of last week.

Dr. McGinnis, P. G., C. B. Beals, P. G., W. R. West, P.G., were the delegation representing Edmonton. Upwards of three hundred were present at the services, and the dedication was exceedingly successful.

On Thursday evening the hall was formally opened. Excellent speeches were delivered by a number of local and visiting brethren.

After the meeting a short dance was held. On Friday afternoon Acting Grand Master Shanks, Winnipeg, of the Grand Lodge of Manitoba, gave instructions in the secret work of the lodge. Friday evening the exemplification of the regular work of the lodge was done in splendid style. The Edmonton delegation returned Saturday night.

—Mr. Harold Nelson, the eminent Canadian actor, who is announced to appear here shortly, has until this season been identified almost exclusively with Shakespearean drama.

This season, however, he has added to his repertoire a production of "Quo Vadis," which the Winnipeg papers assure us is the most elaborate dramatic presentation ever seen in Western Canada.

Mr. Nelson is now under the management of Mr. C. P. Walker, proprietor of the Winnipeg and other theatres, and Mr. Walker has equipped his star with splendid scenery and costumes and engaged for him a most complete company.

Hamlet, Merchant of Venice, Much Ado About Nothing, Richelieu, David Garrick and other classical plays will be produced in sumptuous style. The dates of the Nelson company here are December 25th to 30th inclusive.

MONDAY, DECEMBER 14TH, '03.

COURT AT VEGREVILLE

The cases of Semm brothers and Jacobson, charged with horse stealing, who were remanded at Fort Saskatchewan some time ago, came up again on the 30th of November before Inspector Demers. Constable Riddoch of the Northwest Mounted Police here, having made a trip through the Wetskiwin to Buffalo Coulee, was very successful in obtaining further evidence against them. They were committed for trial. This is one of the most interesting cases of the season and is a great honor to the force and its government.

A Russian named Urezko appeared before John Fleming on the 3rd Dec. and was ordered to pay \$100 fine and costs or two months' imprisonment at Fort Saskatchewan, for assaulting a woman. He stayed under charge of our constable for a couple of days, but eventually paid up.

Vegreville, Dec. 12th.

VEGREVILLE

Weather is fine here now and for the last three weeks except a little rain and snow storm. It is nearly all finished for the year around here.

Cole, who got a dose of Edmonton, is back home to work again.

Our office has been moved from Mr. Clements' store and we have a new master in the person of Mr. Ritchie, of Strathcona. The supposed horse thieves that were caught southeast of here three weeks ago and sent to Fort Saskatchewan, were brought back and tried again last week, and sent back to the Port to await their trial in Edmonton.

Mrs. Pringle who has been suffering from consumption for the last few months is gradually growing worse.

Mr. Cole, who is suffering from heart trouble, is getting better. Mr. Hummel and family have left us and gone on their homestead, fifteen miles southeast of here.

Mr. George has gone back to Ontario for two or three months. He went away single, but his friends here expect to see him in double harness when he comes back.

Mr. Thomas Ryan and wife, Jr., are rejoicing over the arrival of a baby girl, who came to them two weeks ago.

December 9th.

EGG LAKE

On Tuesday, Dec. 9th, Rev. Father Samson held service for the second time in the new church. After the regular service there was a christening, in which the newly arrived son of Antoine Lirendel was the central figure.

It is reported that an engineer is to be sent to look over the road that the government has been asked to open in order to give access to the new church.

Rats are very plentiful this winter and everyone who can find time to set a few traps, is reaping quite a harvest. Between rats and rabbits with an occasional treacherous trip to the Landing, no one need go hungry here this winter, no matter how small his crop may have been.

Those who were unable to get hay enough last summer and left anxious about being able to feed their stock, have been greatly reassured by the continued mildness of the weather. Cattle are still able to find their own food, and all danger of running short before spring is now out of the question.

December 10th, '03.

WHITFORD

Affairs of this settlement are progressing quite favorably for this season of the year. Threshing is almost over and the ranchers have just finished rounding up their herds of cattle from the Vermilion.

Mr. Walter Bibby, an old timer, was in our vicinity Saturday from the Vermilion. He was accompanied by

Mr. Swift, who has been looking up a consignment of lumber and flour sent to the Barr colony just previous to the freezing of the Saskatchewan. One of our old neighbors, Charlie Monston, killed a bear recently. He (the bear) was found by a Russian taking his winter's nap, and upon being informed, Charlie at once proceeded to levy contribution upon his warm fur.

A representative assembly of the citizens of this district gathered last Wednesday night at the schoolhouse for the purpose of listening to an address by Frank Oliver, M.P., Mr. A. O. McLaughlin upon motion of Mr. Richardson was appointed chairman. Mr. Oliver then addressed the audience, and in a thoughtful speech, showed clearly the necessity for the building of the Grand Trunk Pacific Railway and the wide and business-like bargains made by the government for its construction. He also as plainly showed the fallacy of raising higher the tariff, proving that it would be impossible for the Northwest farmer to benefit thereby.

Our school, under the able instruction of Mr. A. O. McLaughlin, will close a very successful term at the holidays.

A NEW SETTLEMENT

The Bulletin has secured a correspondent in a new settlement that is being made at Macdonald's Crossing, on the Pembina river, northwest from Edmonton and beyond Riviere qui Barre. This district was laid out by J. K. McLean's government survey party during the past summer. The settlement is said to be composed of a very fine class of settlers and the district is said, by all who have visited it, to be exceptionally good. The following notes have been forwarded us from a member of the settlement:—

E. R. McNeill, division engineer of Grand Trunk Pacific Railway, passed through here to-day enroute for Edmonton on his return from W. E. Mann's camp of surveyors, who are at present working near Riviere qui Barre. Constable Gilmour, N.W.M.P., was in the section of the country a few days ago in the discharge of his duty. Tom Grant and A. D. Henderson marketed between 40 and 50 fat steers in Edmonton one day last week.

A petition is in circulation to have a post office at Macdonald's store, our office at present being Riviere qui Barre.

We understand there is to be a saw mill opened at the end of Lac La Nonne.

We are having a very open winter in this locality and stock is doing well.

There was a load of homesteaders looking through this section of the country to-day, expecting to take up land. They like this country very much.

J. Donnelly and son took a trip down the river with a party of trappers who are at present located down about fifty miles.

Paul Ross is going to the Riviere qui Barre settlement to-morrow.

BELMONT

A splendid concert was held in the Belmont schoolhouse on Friday evening. The place was crowded, two large bands being present from Fort Saskatchewan, Strathcona and the immediate vicinity. Instrumental, Mr. Barber.
Solo, H. W. Bestwick.
Whistling solo, Miss Blanche Webb (encore).
Recitation, Bertha Bull.

To Shoppers

There's a big difference between the Grand Rapids and the next best. Not much difference in price. Hudson's Bay stores.

Any smoker would appreciate a box of cigars for a Christmas present if the cigars are right. No such as to quality if you buy at H. B. stores. And you don't have to spend a lot of money over it if you don't want to; high grade cigars in little boxes of 10, especially packed for Hudson's Bay stores. Also "Henry Irving," 25 in a beautiful, special fancy box.

People of good taste are greatly pleased with the fine ships and cut glass, etc., being shown at the Hudson's Bay stores. The most attractive goods ever shown in Edmonton.

A lot of very handsome silk collars and lace ties received this week. Very dainty and the latest New York productions. Also the correct thing in silk belts. A nice present. Ties easily sent in a letter. Hudson's Bay stores.

Some people don't know that you can buy playing cards at the Hudson's Bay stores. Many others, who are particular about their cards, always go there for them. It's a good habit and it pays.

Aprons are a strong line at the Hudson's Bay stores. Many beautiful lines in white muslin and lawn. You'll give up making aprons when you see these. Costs nothing to see them.

THE FELT SHOE PROBLEM

It has been decided unanimously by the grand jury of the wearers of FELT SHOES that sold feet are not in it when felt shoes are worn.

This fact being the case, we call your attention to the magnificent range of felt footwear we have in stock.

The celebrated Dolge boots for men at \$4.25, \$4.50 and \$5.

Dolge boots for women at \$3, \$3.25, \$3.75 and \$4.50.

Dolge slippers for women, \$1.25, \$1.50, \$2, and \$2.25.

Misses Dolge boots, \$2, and \$2.75.

Misses, Women's, and Men's moccasin slippers, wool lined, fur trimmed, the most comfortable home slipper ever designed.

The vexing question, What shall I buy for Christmas? is easily solved after seeing these slippers.

Another item of interest in slippers is our line of Women's all felt, fur trimmed, at 85c pair.

Our Women's all felt boots at \$1.75, is another of the many good values we have.

Also Men's all felt boots, at \$2.25, just as good value as the other.

There is no necessity to sacrifice appearance for comfort. The two are combined in our FELT FOOTWEAR.

We also handle rubbers made especially for felt boots.

One word more. Make it a point to call and see some of these foot-warmers. We shall certainly appreciate your visit, whether it be to purchase or otherwise. Also we can show you many things suitable for Xmas presents.

Remember we have the up-to-date shoe stock of the city.
